Mr. A. Manley,

55(?) Somerset St.

Newark N. J.

My dear Sir: I want to commend <sup>you</sup> for letting Mr. McDuffie 1 out.

I realize pitchers-capable ones- are not very easily secured and it may be ~~ie~~ the reason why you were so patient with the young man. You gave him a good chance to make good- it was not in him- He put too much emphasis on his socializing

His arrogant way on the ball field was disgusting to the fans and

I dare say had a bad effect on the players.

Wishing you much success in your effort. I am

Sincerely your,

W. W. Wolfe.
